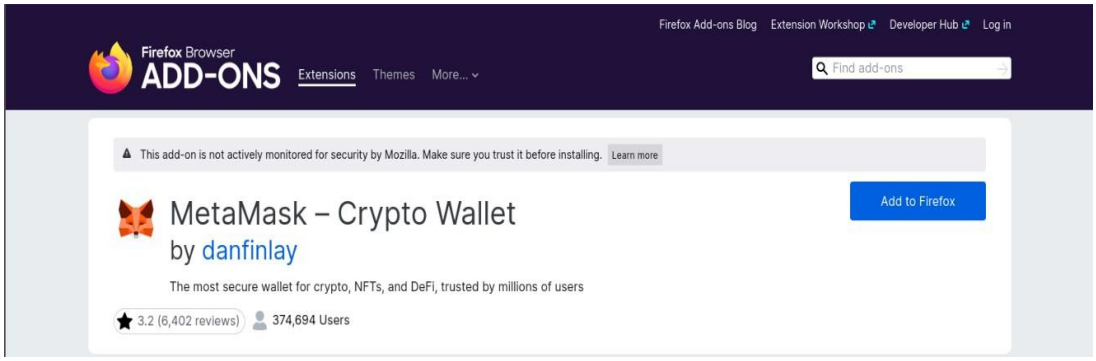
Name : - Sunayana Hegnekar
Roll no : - 32  BE A

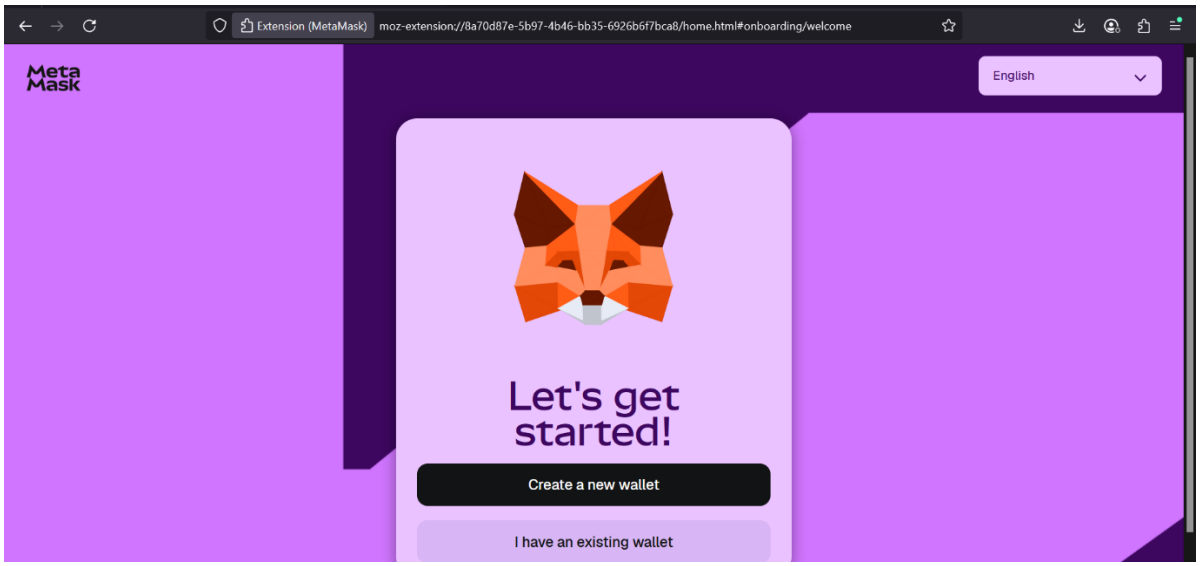
## Step 1: Install MetaMask

1. Open Chrome (or Brave/Firefox).
2. Go to https://metamask.io.
3. Click Download → Choose your browser → Install MetaMask extension.



## Step 2: Create a New Wallet

1. Click on the MetaMask fox icon in your browser toolbar.
2. Select Create a Wallet.
3. Set a strong password → Confirm.

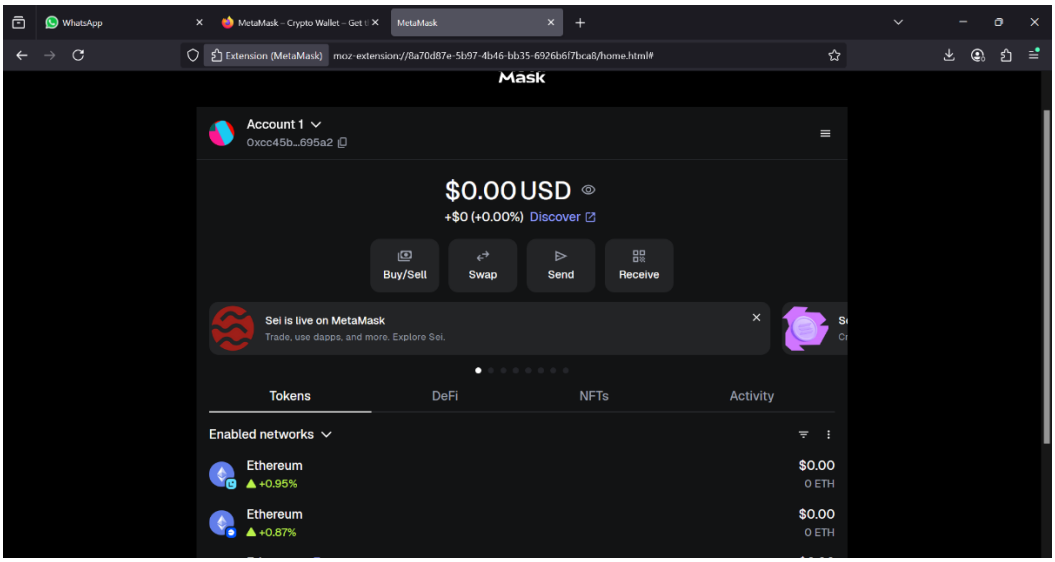


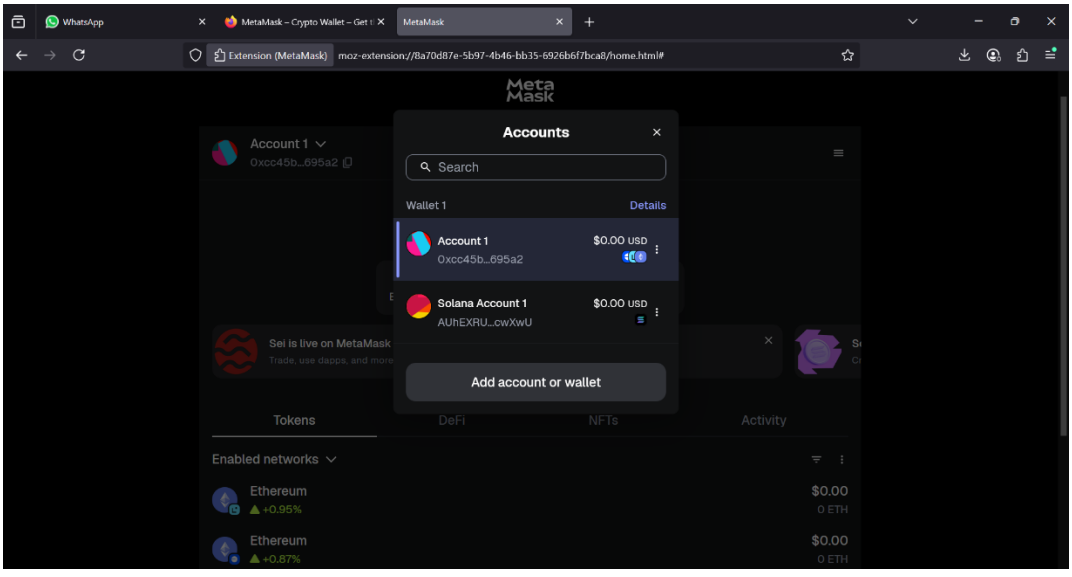
### Step 3: View Your Wallet

1. **Once wallet is created, you'll see:**

   - **Your wallet address (starts with 0x...).**

   - **Ethereum Mainnet selected by default.**





**Conclusion: Thus the new wallet has been created.**
